FAST Gains Program

Summer sessions

Does your child need help with self-esteem, self-control, coping or social skills?

June 17, 2019 — August 9, 2019 (8 weeks)

The ACRP FAST Gains Program is a Therapeutic program designed to meet the Mental Health needs of the children with behaviors disorders. All clients must request a Psychological Evaluation to determine medical necessity and to be enrolled in the program. Children are not required to have a previous evaluation or diagnosis to be referred. ACRP can schedule an intake to determine whether your child is eligible!

Goals include: developing positive self-esteem, self-control, emotional awareness,

Interpersonal relationships, problem-solving skills, coping skills, & social skills

Program will run 5 days a week, Monday - Friday

Age requirements: 5-12 years old

Medical Assistance Card is required for attendance
