

# Alternative Community Resource Program

*Helping Youth & Families*

## **FAST Gains Program**

Does your child need help with self-esteem, self-control, coping or social skills?

**June 17, 2019 — August 16, 2019 (summer months)**  
**September 9, 2019 — May 22, 2020 (school year months)**

ACRP FAST Gains Program is a Therapeutic After School Program designed to meet the Mental Health needs of the children with behaviors disorders. All clients must request a Psychological Evaluation to determine medical necessity and to be enrolled in the program. Children are not required to have a previous evaluation or diagnosis to be referred. ACRP can schedule an intake to determine whether your child is eligible!

*Goals include: developing positive self-esteem, self-control, emotional awareness, Interpersonal relationships, problem-solving skills, coping skills, & social skills*

**The program will run Monday through Friday.**  
**Age requirements: 5-12 years old**

**Medical Assistance Card is required for attendance**
